Fund Description

The Global Targeted Returns Fund (Invesco) seeks to deliver long-term capital growth with a low tolerance for capital loss. The fund aims to outperform cash returns. The fund uses a broad range of investment ideas based on advanced derivative techniques to gain exposure to a selection of assets across all economic sectors worldwide. The fund may invest up to 5% in China A shares. The fund may invest in distressed securities which carry a significant risk of capital loss. This fund invests some of its assets outside the eurozone so a currency risk arises for a euro investor. The fund is managed by Invesco.
