(iv) Policy Declaration

Background on Qualifying Recognised Overseas Pension Schemes (QROPS) approved transfers:

In order for an overseas scheme / product to receive QROPS approval status from the UK Revenue (HMRC), the overseas provider is required to give certain undertakings to the UK Revenue (HMRC).

Provided certain conditions have been satisfied, then Zurich Life can accept a transfer value in respect of pension benefits from a UK pension scheme into a Zurich Life "QROPS" approved pension product.

If Zurich Life subsequently make a payment from the QROPS approved product to the individual within ten complete UK tax years of the individual ceasing to be UK Tax resident, then Zurich Life are obliged to notify UK Revenue (HMRC) of any such payment.

UK Revenue (HMRC) will determine whether the individual is liable for a UK "unauthorised payment" charge of 40% and a potential unauthorised surcharge of 15%.

Furthermore with effect from the 9th March 2017, an additional Overseas Transfer Charge of 25% of the fund has been introduced by HMRC. This charge can be applied where certain conditions are not met on transfers from UK registered pension schemes to QROPS or on transfers from QROPS (or former QROPS) to QROPS and also where those conditions were met when the aforementioned transfers were made, but after the transfer circumstances changed so that the conditions were no longer met.

I understand that should this amount become payable then it would be deducted from the value of my Personal Retirement Bond.

It is also a UK Revenue (HMRC) requirement that all payments out of the QROPS made within ten complete UK tax years of transfer to the QROPS provider (Zurich Life), must be reported to UK Revenue (HMRC). This applies even if the client has ceased to be UK tax resident for longer than ten complete UK tax years.

Declaration by Transferring Member

I confirm that I have received independent and professional financial advice and acknowledge and understand the implications of transferring my pension benefits from the UK to the Republic of Ireland.

I understand that I have a duty to answer all questions asked by Zurich Life in this application for a contract honestly and with reasonable care and failure to comply with these requirements could result in my contract being invalidated or my contract benefits being reduced. I declare that all questions and statements in this application for this contract are answered honestly and with reasonable care (including any statements written down at my dictation).

I understand that the pension benefits and Retirement Lump Sum from the proposed pension contract will be subject to the Rules and Revenue limits that apply under Irish law, and the conditions imposed by HMRC for QROPS transfers.

I understand that the Zurich Life pension contract **does not provide any guarantees** other than those specific to each product and for example any 'Protected Rights'/ Guaranteed Minimum Benefits etc resulting from 'Contracting Out' by the UK scheme, will no longer apply.

Note:

Please sign the box at the bottom of Part A.

Note:

If you are transferring from a Defined Benefit Scheme, it is likely that the benefits under your Personal Retirement Bond will be significantly different in form. For example, the benefit on retirement may be guaranteed under your employer Scheme while Personal Retirement Bond benefits depend on investment returns (and are not guaranteed).

Note:

Zurich Life's remedies in the event of misrepresentation are set out in the Consumer Insurance Contracts Act 2019.

H I understand that the benefits provided by the Zurich Life pension contract as a result of the Transfer Payment into the QROPS approved product will be calculated on a "Defined Contribution" basis. At retirement the benefits will depend on the amount contributed, the charges on the contribution and the investment return on the contribution.

I confirm that I have received independent financial advice from an advisor in the UK that is authorised by the UK Financial Conduct Authority (FCA) to provide a transfer value analysis Yes No

Name Company

Address

IMPORTANT NOTE: If the transfer value is greater than £30,000 and coming from a Defined Benefit Scheme, then this is a UK mandatory requirement.

I understand that Zurich Life are required to report details to UK Revenue (HMRC) of any payment/transfers made within ten years of the date of transfer, even where I have been outside the UK tax system for more than ten complete UK tax years.

If I decide to transfer the Zurich Life QROPS pension contract to another Life Insurance Company within the Republic of Ireland, then I understand that I am fully responsible for ensuring that the receiving scheme is QROPS approved and understand that Zurich Life will not be held responsible for the possible implications of such a transfer.

I understand that the earliest date that I may take my benefits (unless due to ill-health retirement) is age 55.

I declare the following;

I am currently tax resident in the Republic of Ireland and have not been tax resident in the UK this tax year, nor in any of the previous ten UK tax years (please note that the UK tax year is from 6th April to 5th April the following year).

I declare that I intend to remain tax resident in the Republic of Ireland for a period of at least five years from the date my UK pension fund is transferred to Ireland and that I have therefore no intention to become tax resident in any other jurisdiction outside the European Economic Area.

I declare that I will notify Zurich Life Assurance plc and HMRC in the UK if I become tax resident in the UK or in any other jurisdiction outside the European Economic Area within 60 days of that event occurring and in any event before Zurich Life make any payment out of the QROPS approved pension contract.

Data Protection and Revenue Commissioners Declaration

Zurich Life or their authorised agents may hold, use, disclose and process any information provided by me, which shall include information contained in this Declaration (or provided subsequently in discussion or otherwise) and any information arising in relation to the processing and administration of the Transfer Payment from the UK into my new QROPS approved pension contract to comply with legal and regulatory obligations and related matters and to check my personal data against international trade / economic or financial sanctions laws or regulations listings.

I acknowledge that, in order to establish and administer my pensions contract, it may be necessary for Zurich Life to seek information and benefit details from the administrator, trustees or any other relevant Life Insurance Company or Qualifying Fund Manager of any scheme, arrangement or contract of which I am or have been a member in the UK or Ireland, and I authorise the giving of such information and details.

I authorise the Department of Social Protection, the Irish Revenue Commissioners or UK HMRC to advise Zurich Life or their authorised agents of my most recent address on their records at any future time.

I declare that all questions and statements in the application for this insurance contract are, to the best of my knowledge and belief, answered honestly and with reasonable care (including any statements written down at my dictation).

I hereby authorise the Trustees to transfer to a Personal Retirement Bond the amount that, in the opinion of the said Trustees, represents the value of my benefits on withdrawal under the Scheme.

In consideration of the payment of such Transfer Payment to a Personal Retirement Bond, I hereby release the Trustees of the Scheme from all liability to me in respect of benefits under the Scheme with effect from the date of such transfer.

If the policy was sold, signed or completed outside Ireland, insert the name of the country where it was sold, signed or completed.

I confirm that I have read and fully understand all parts of the above declaration, (Part A, (i), (ii), (iii) and (iv)) and that I will be the beneficial owner of the policy.
