

Zurich large case underwriting service

Large sum assured cases can require extensive medical and sometimes financial underwriting.

With the Zurich large case service, our aim is simple – make placing large protection risks easier for you and your clients.

Here's what we do to make it easier for you and your clients

- We assign a dedicated underwriter for your individual large case and you'll have direct access to them by phone and email.
- Early discussions on requirements with the focus on getting cases on risk as quickly as possible with the minimum of requirements.
- Timely updates from the dedicated underwriter when requirements come in or change.
- Provide a 24-hour turnaround on initial underwriting and subsequent post received.
- Our admin staff will also ensure that requirements are issued speedily and chased where required.

There are clear advantages to using to large cases service.

- Ensuring regular communication between underwriter and broker
- Delivering an efficient and flexible service that puts your busy and important clients first.
- Delivering more certainty in "what to expect" from the underwriting process
- Reducing the time, it takes to place large risks.

For cases that have sums assured in excess:

- €1.5m Life Cover.
- €500,000 Serious Illness Cover or Cancer Cover.
- €75,000 Income Protection.
