Information on Taxation and Life Insurance Levy

- On death, encashment, partial encashment, assignment of this policy or on each 8th policy anniversary, tax is normally deducted on the gains made. The rate of taxation is currently 41%.
- A government insurance levy (currently 1%) applies to this policy. Zurich Life will alter your premium or benefits accordingly.

Warning: The value of your investment may go down as well as up.

Warning: If you invest in this fund you may lose some or all of the money you invest.

Warning: Benefits may be affected by changes in currency exchange rates.
