

The Managed fund range

35 years of multi-asset expertise

Balanced

Performance

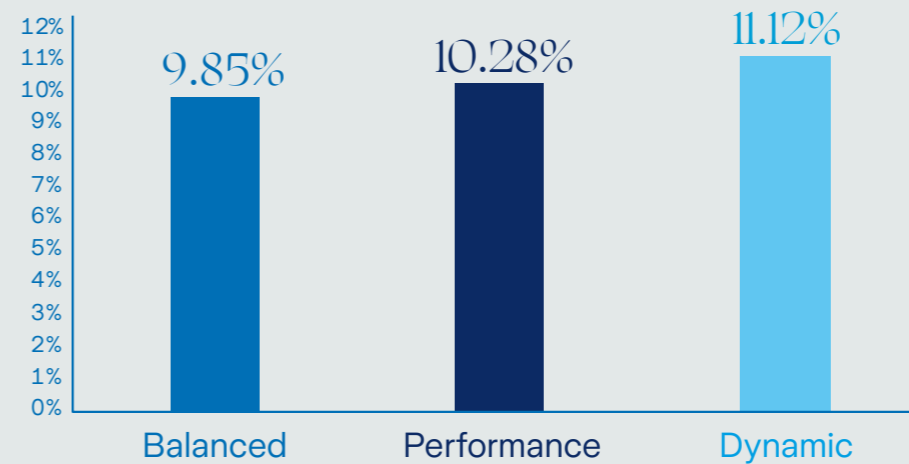

Dynamic

At Zurich we are proud of our track record in managing customers' investments. Our belief is that people need people to look after their money so we take a 'hands-on', active approach to investment management.

We believe that good active investment managers are best placed to deliver consistent long-term investment performance. Over the last 35 years, Zurich has been managing diversified multi-asset funds for customers throughout Ireland.

- Almost 150,000 policyholders
- 3 asset classes: Equities, Bonds, Cash
- Classified as Article 8 under the Sustainable Finance Disclosures Regulation
- Well diversified with over 700 holdings in each of the three funds
- Launched in 1989: the fund range has a strong track record
- Over €8 billion invested across the 3 funds
- Zurich Life Assurance plc have over €40 billion Assets Under Management

Annualised return since inception

Source: Zurich and FE fundinfo, November 2024.
 Annualised performance since launch: Returns are based on offer/offer performance and do not represent the return achieved by individual policies linked to the fund with date ranges from launch 01/11/1989 to 01/11/2024. Annual management fees apply. The actual returns on policies linked to these funds will depend on the charges on the individual policies that invest and may be different than illustrated here.

We actively navigate the markets. In good times and in bad, we have a history of making good investment decisions when it matters. Over the years we have dealt with economic booms and financial busts; making active decisions that yield long term value for our customers."

David Warren, Chief Investment Officer

If you'd invested €30,000 in November 1989....
