

Fixed Term (Series 4)

This document should be read in conjunction with the Key Features document for the Fixed Term (Series 4) fund.

For a limited time, Zurich is delighted to announce the launch of a NEW fund, Fixed Term (Series 4), to complement our suite of existing lower risk options. This fund provides customers with a fixed gross return of 2.48%[†] per annum if held for the three-year period. The fund will invest in an account provided by Barclays Bank Ireland plc (Barclays).

Risk Rating

The Fund has a risk rating of 1. This rating assumes customers remain invested in the fund until 29 September 2028.

Important information:

Up until 26 September 2025* customers can invest in the Fixed Term (Series 4) Fund. Zurich will provide a fixed return for money invested during this period.

3 Year Investment	➔	Monday 29 September 2025 to Friday 29 September 2028	Money is invested with Barclays Bank Ireland plc	Barclays Bank Ireland plc provide a fixed rate of 2.48% p.a. [†]

There is an additional potential bonus of 1.00%, payable on maturity, if on 22 September 2028 the Euro Stoxx 50 Index® is at or above the level set on 29 September 2025.

Money must be received by Friday 26 September 2025 to be invested in the fund. For money received before Friday 26 September 2025 Zurich will provide a return equivalent to 2.77%[†] per annum, until Monday 29 September 2025.

Note:

[†] Zurich's normal product charges will apply, including early encashment charges on some products. The returns stated are before the deduction of these charges.

* This fund has a limited capacity and the fund may be closed to new business at any stage prior to 26 September 2025.

Investment period

The fund is designed to provide a fixed return, with a potential additional bonus, for investors who remain invested until 29 September 2028; It may not be appropriate for clients who intend to hold it for a shorter period.

If money is held to 29 September 2028, the minimum return will be 7.62% (2.48% Compound Annual Return) and the maximum will be 8.62% (2.79% Compound Annual Return). These returns are stated before the deduction of Zurich's charges.

If customers do not remain in the fund until 29 September 2028, the return may be significantly lower than quoted above and could be negative. There is no guarantee that access to the fund is available prior to 29 September 2028. See sections

overleaf.

How do you invest?

Financial Brokers and Advisors must contact their Zurich Broker Consultant with a policy / proposal number, or the client name / date of birth, and the investment amount to proceed. The money must be received before 26 September 2025.

Limited capacity

This fund has a limited capacity and the fund may be closed to new business at any stage prior to the 26 September 2025. At its sole discretion, Zurich has the right not to accept any investment into the fund. If this arises, investors and advisors will be contacted.

Exiting the fund prior to 29 September 2028

The fund is designed to provide a fixed return, with a potential additional bonus, for investors who remain invested until 29 September 2028; It may not be appropriate for clients who intend to hold it for a shorter period. If customers wish to switch out of the fund or encash some or all of their units in the fund prior to 29 September 2028, this may be allowed at the sole discretion of Zurich. However, there is no guarantee that access to the fund will be available when requested. Where an encashment or switch prior to 29 September 2028 is made available, the fixed return will not apply, and the unit price will be calculated based on current market conditions and the return received may be less than that originally invested.

What happens after 29 September 2028?

The fund matures on 29 September 2028. At this point you will need to select an alternative fund. Zurich will contact investors and advisors with alternative investment options in advance of the maturity date.

Approved Retirement Funds & Vested PRSAs

For information on regular income or partial encashments, see section above 'Exiting the Fund prior to 29 September 2028'.

Counterparty risk

Customers do not have an account with Barclays Bank Ireland plc. In the event that Barclays do not meet their obligations to Zurich, or the return on the relevant Barclays account is otherwise insufficient, the value of the Fixed Term (Series 4) Fund will be based only on the value returned from the relevant account Zurich holds with Barclays. No other assets of Zurich shall be used to make up the difference. The account held by Zurich with Barclays is not eligible for any deposit guarantee scheme and your policy with Zurich is not eligible for any deposit guarantee scheme. In the event of the insolvency of Barclays, the account held by Zurich ranks at a lower level than accounts opened by individual customers with Barclays. There is no guarantee that access to the fund value will be available when requested. This could mean that you are waiting a significant time to encash any investments in this fund.

In certain circumstances Barclays or Zurich may be required to close this fund prior to the maturity date of 29 September 2028. In this event, Zurich will contact investors and advisors to provide alternative options. The value of the Fixed Term (Series 4) Fund will be based only on the value returned from the relevant deposit account held with Barclays.
