| 5. Have you taken any retirement lump sums from overseas or from foreign pension schemes since 01/01/2023 | Yes | No |

If you have answered **YES** to any of the above questions, please provide details of your pension arrangements in the table on the **following page**. Please include full details of all Retirement Lump Sum Payments received from pension arrangements on or after 7 December 2005. This includes Retirement Lump Sum Payments that are currently being taken/processed.

Do you have a Personal Fund Threshold (PFT) Certificate, issued by Revenue? Yes No

If YES, please enclose a copy of the certificate together with this completed and signed Declaration. Where your PFT includes a defined benefit arrangement, please state the valuation factor used.

Notes:

- **Standard Fund Threshold (SFT):** The Standard Fund Threshold (SFT) is the maximum pension fund you are allowed to take at retirement for tax purposes. This is a lifetime limit and includes all pension benefits taken since 7 December 2005. It is currently €2 million (as at January 2025). When taking retirement benefits, any amount over the SFT is subject to tax at 40%. However some of this tax can be offset if you have paid standard rate income tax on your retirement lump sum. The Standard Fund Threshold is to be increased from 2026 as follows:

Year	Standard Fund threshold
2025	€2m
2026	€2.2m
2027	€2.4m
2028	€2.6m
2029	€2.8m
2030 Onwards	The Minister for Finance may amend the SFT in line with an agreed index.

Please note that any previous pension benefits received prior to an increase in SFT will need to be adjusted to reflect the current higher SFT amount. Each time you take benefits you use up a percentage of your SFT allowance.

- **Personal Fund Threshold (PFT):** If you had funds greater than €2 million on 1 January 2014, greater than €2.3 million on 7 December 2010, or greater than €5 million on 7 December 2005, you had the opportunity to apply to the Revenue Commissioners for a Personal Fund Threshold (PFT) based on the value of your pension benefits at that date. The Revenue will have issued you with a PFT Certificate which may replace the SFT.
