D Your maturing Zurich Life PRSA contract(s):

Please list in the table below the contract number(s) of the Zurich Life PRSA(s) that are maturing. Please note that if you wish to mature a PRSA AVC then a separate form is required (please contact Zurich Life). If you have more than one Zurich Life PRSA contract and are only taking benefits from one contract, then please insert the relevant contract number only.

Note that only policies listed below will be matured.

Zurich Life Personal Retirement Savings Account(s) policy number	Maturity value
---	----------------

Early Retirement

A PRSA contract can only be matured before age 60 (and after age 50, other than due to ill-health) where the contributions to the PRSA have been made in relation to a PAYE/Schedule E employment. In this situation, retirement before age 60 constitutes early retirement from all employment. As such you will have to provide proof of early retirement from your most recent employment (**e.g. a P45 or confirmation from your employer of date of leaving service**) before any early retirement benefits can be paid from your PRSA contract.

If you are a 20% Director and taking early retirement before age 60, all links with the business must be severed, including the disposal of all shares in the business. In this instance, please provide confirmation.
