

Limit your level of investment risk with Zurich's Protected Funds

Zurich's Protected Funds offer you the potential to earn real investment returns while limiting your exposure to risk. There are two funds with two different levels of protection to suit your needs. If your attitude to risk changes over time you are free to switch in and out of the Protected Funds at any time into any other fund, with no restrictions.

How have the Protected Funds performed over the last 5 years?

Cumulative Performance

Zurich, July 2026. Performance figures quoted are for 02/07/2021 to 02/07/2026. Annual management fees apply; the fund growth shown above is gross of any annual management charge. Returns are based on offer to offer performance and do not represent the return achieved by individual policies linked to the fund.
