Young & single?

You are young, fit and healthy,
mortgage and child free.

You couldn't possibly need life
insurance, right?

Not quite....

The risks you face

- Have you ever considered how you would cope financially if you fell ill with a serious illness, such as cancer. Your work sick pay arrangements may cover you for a couple of months but when that runs out, what would you do?
- While it's a sobering thought, in 2020 almost 15% of our serious illness claims were for people under the age of 40.*

The right insurance plan could make the difference

- ✓ Life cover
- ✓ Cancer cover
