

## Got a technical query? Contact Zurich Life's Technical Services Team!

Zurich Life's Technical Services Team is here to assist you with technical queries relating to Pensions, Life Insurance, Business Protection, Savings and Investments. Our team of experts has a wealth of experience and knowledge to share with you.

As you are no doubt aware, there have been many developments in law and practice in each of the above areas over the last number of years. Our Technical Services Team is here to answer your questions on how these developments may affect your clients and to guide you through relevant legislation.

The team regularly issues informative 'What Brokers Need to Know' communications to all Brokers - these communications are a key source of insights and information on a wide range of issues and you will find a full record of all of these on our Broker Centre, [www.zurichlife.ie/brokercentre](http://www.zurichlife.ie/brokercentre)

Areas where we have particular expertise include the following:

**Pensions:** all aspects of occupational pension schemes and personal pension arrangements including trust documentation and Revenue practice and procedure

**Life Insurance:** expertise in relation to the establishment and operation of a wide range of life insurance including but not limited to Section 72 policies for inheritance tax purposes

**Business Protection:** all aspects of Business Protection including Keyperson, Co-Director, Corporate Co-Director and Partnership insurance

**Savings and Investments:** technical expertise on a wide range of savings and investment products
