

10% off Mortgage Protection polices from Zurich Life

Great news! From today we're introducing a **10% discount on mortgage protection policies** for first time buyers. This offer is available from **4 June until 31 August** and the discount will apply for the lifetime of the policy.

This special offer, coupled with our unique **free waiver of premium benefit** on mortgage protection policies, ensures that Zurich continues to have the strongest protection plan in Ireland.

Zurich's WOP benefit means that Zurich will pay your customer's mortgage protection premiums if they are unable to work due to illness or injury for a period longer than 13 weeks, subject to our policy conditions. We do not make an additional charge for this benefit - it's free!
