

EASY ACCESS TO REGULAR SAVINGS IS NOW WITHIN REACH

7 July 2015

Easy Access Savings Plan

Easy access to regular savings is now within reach

Great news! Following the continuing popularity of the Easy Access Investment Bond, we are delighted to launch a regular premium version.

The new **Easy Access Savings Plan** is a monthly premium savings plan with absolutely no encashment penalties for your customers. This means your customers can save up to €500 per month and still have full access to their savings should they need it. With a minimum premium of just €75 per month we think the new **Easy Access Savings Plan** will be a popular saving solution.

Remember, 39% of people* said that the biggest barrier to moving money from deposits was a perceived lack of access to their money in an emergency - Zurich's Easy Access range of saving and investments removes that barrier.

What's in it for you?

With a gross allocation rate of 101%, an Annual Management Charge of 1.25%, and no early encashment penalties, it should prove to be an attractive proposition for you and your customers. The commission payable is 10% of the year 1 premium and there is a four year clawback period.
