

# Zurich Life Webinar

## Grexit, China, Bonds - make sense of it all by listening to our upcoming webinar

Why not join us on 24 July for a half-year review of investment markets and insights into what the rest of the year might hold.

2015 has been a strong year for investment returns but we are starting to see the return of volatility. Host David Walls, Head of Retail Investment Sales, will be joined by Eimear Moloney, Anthony Conroy and Philip Duggan from the Zurich Investment Team, who will give their insights into what to expect for the future - and more importantly, where you can still find value in the investment markets.

**Date:** Friday, 24 July 2015

**Time:** 10am

We have applied for 30 minutes CPD.
