

Zurich – Best in Financial Services

Zurich ended 2013 in a very positive way by winning 'Best in Financial Services' at the InBusiness Editor's Choice Awards. This award was presented to Zurich by Chambers Ireland - the largest business network in Ireland. The InBusiness Editor's Choice Awards celebrate innovation and inspiration in Irish business, awarding excellence in their class.

This award follows Zurich Life being voted the 'Most Reputable Financial Services Company in Ireland' at the 2013 Reptrak Awards - both awards are solid evidence that Zurich is a company that customers can and do trust in the Irish market.
