

5★5 Asia Pacific Fund

Fund Description

Indicative equity range: 80% to 100% of the value of the fund.

The 5★5 Asia Pacific Fund is a unit-linked fund focusing on the Asia Pacific region and normally holding fifty equities in five different sectors. The fund offers investors exposure to the established and emerging markets of the region, one which is expected to grow significantly faster than the rest of the world over the next few years. In the future, the sectoral and equity selection of the fund may be varied to avail of changing market dynamics and so enhance the performance of the fund. For tactical reasons, the fund may also invest in cash or cash equivalents. In terms of currency, the fund is managed from the point of view of a eurozone investor. As this fund invests outside the eurozone, a currency risk arises for a euro investor. This fund is managed by Zurich Life.
